

Fonts by David Kerkhoff - License & FAQ

PURCHASING FULL FONT(S) & LICENSING

I no longer sell my fonts myself - instead you can buy them from several professional font websites like myfonts.com or fontspring.com

On my site www.hanodedfonts.com you will find links to these and other sites. Just choose where you would like to purchase the font(s) of your choice from and click on the link. If you have any licensing questions, please contact customer support of the site you want to buy my fonts from. Do NOT contact me about licensing questions.

- 1) Scrap-bookers: you cannot sell my fonts as part of a 'Scrap Booking Kit';**
- 2) You cannot use demo fonts for your apps, games and software. You will need to purchase the appropriate license from my website www.hanodedfonts.com;**
- 3) The copyright of ALL of my fonts remains with me, David Kerkhoff. (Demo) fonts are licensed, not sold;**

Demo Fonts vs Full Fonts

The demo versions of my fonts are free for PERSONAL, NON COMMERCIAL use only. For example: you have a school project and want to use my font for the title or you want to send your grandma a handmade birthday card.

All of my demo fonts have the letters DK in front of the name. If you want to buy the full font, please omit the letters DK in your search string - for example: DK Lemon Yellow Sun should be Lemon Yellow Sun. And please uninstall the demo font before you install the full font!!!!

I get a lot of mails from people who try to worm their way out of buying a license by telling me that their internet shop is 'small', or they are 'not likely' making money on a commercial venture. Well, boohoo, tough break, get a fucking license and stop begging. If you don't like it, then make your own fonts.

And please, DO NOT CONTACT ME ABOUT HOW TO INSTALL A FONT. You will find lots and lots of instructions and how to's on dafont.com and fontspace.com
